SPHINGFIELD, Ky., May 14, 1845. Messrs. Sanford & Park: - I take this opportunity of informing you of a most remarkable cure performed upon me by the use of Dr. Wistar's Balsam of Wild Cherry.

In the year 1840, I was taken with an inflamation of the bowels, which I had labored under for six weeks, when gradually recovered. In the fall of 1841. I was attacked with a severe cold, which seated itself upon my lungs, and for the space of three years I was confined to my hed. I tried all kinds of medicioes, and every variety of medical aid, without benefit; and thus I wearied along until the winter of 1844, when I

My 'rien da persuaded me to give it a trial, though I had givenup all hopes of recovery, and had prepared myself for the change of another world. Through their solicitation, I was induced to make, ise of the Genuine Wistar's Balsam of Wild Cherry. The effect was truly aspain and suffering, and after having pent four or five hundred dollars to no surpose, and the best and most respectable physicians had proved unavailing. I was soon restored to entire health by he I lessing of God and the use of Dr. Wistar's Balsam of Wild Cherry.

I am now enjoying good health, and such is my altered appearance, that I am no longer known when I meet my former acquaintances.

I have gained rapidly in weight, and my flesh is firm and solid. I can now eat as much as any person, and my food seems to agree with me. I have eated more during the last six months than I

had eaten in five years before. Considering my case almost a miracle I deem it necessary for the good of the know where relief may be had,) to make this statement public.
